SMB3 Sports Medicine Boot
Professional's Choice
The SMB-3™ is a hybrid between the two best selling protective boots: the original SMB II® and the VenTECH™ SMB Elite™. The exterior is constructed with Professional's Choice signature limestone-based neoprene. Together with an UltraShock™ lining, the SMB-3™ safeguards the cannon bone, tendons and soft tissue, while absorbing energy from hoof impact. The slightly longer suspensory strap stretches with each stride allowing full ankle movement, and helps to eliminate hyperextension of the fetlock. The SMB-3™ is cut back at the lower front to allow for proper fit when used with any Professional's Choice bell boot. Lyrca binding stretches to create a more snug fit along the top and bottom of the boot, helping to keep dirt out. Once again, the Professional's Choice motto is achieved, "The more comfortable the horse, the better the performance."

AQ-SMB
AQ-SMB Sport Medicine Boot
Professional's Choice
Professional's Choice AQHA Reflective® Sports Medicine Boots have all the great features of the SMB-3™ with added safety of reflective material enhancing your visibility. Available in Black only.

ARAA-CRIM
Saddle Pad ARAA-CRIM
Professional's Choice
The SMx Air Ride™ is lightweight, breathable and highly shock-absorbent. This pad is designed for riders who want a little more padding between their horse and saddle. The heavy-duty 3/4 inch core allows even air circulation in every direction, resulting in accelerated heat dispersion and moisture evaporation. The horse feels less heat and cools off faster, increasing overall performance. Pads feature a fleece lining that is easy to clean and dries quickly.

ARAA-TIE
 Saddle Pad ARAA-TIE
 Professional's Choice
 The SMx Air Ride™ is lightweight, breathable and highly shock-absorbent. This pad is designed for riders who want a little more padding between their horse and saddle. The heavy-duty 3/4 inch core allows even air circulation in every direction, resulting in accelerated heat dispersion and moisture evaporation. The horse feels less heat and cools off faster, increasing overall performance. Pads feature a fleece lining that is easy to clean and dries quickly.

ARAA-GIR
 Saddle Pad ARAA-GIR
 Professional's Choice
 The SMx Air Ride™ is lightweight, breathable and highly shock-absorbent. This pad is designed for riders who want a little more padding between their horse and saddle. The heavy-duty 3/4 inch core allows even air circulation in every direction, resulting in accelerated heat dispersion and moisture evaporation. The horse feels less heat and cools off faster, increasing overall performance. Pads feature a fleece lining that is easy to clean and dries quickly.

ARAA-MAM-BLUE
 Saddle Pad ARAA-MAM-BLUE
 Professional's Choice
 The SMx Air Ride™ is lightweight, breathable and highly shock-absorbent. This pad is designed for riders who want a little more padding between their horse and saddle. The heavy-duty 3/4 inch core allows even air circulation in every direction, resulting in accelerated heat dispersion and moisture evaporation. The horse feels less heat and cools off faster, increasing overall performance. Pads feature a fleece lining that is easy to clean and dries quickly.

ARAA-MAM-PINK
 Saddle Pad ARAA-MAM-PINK
 Professional's Choice
 The SMx Air Ride™ is lightweight, breathable and highly shock-absorbent. This pad is designed for riders who want a little more padding between their horse and saddle. The heavy-duty 3/4 inch core allows even air circulation in every direction, resulting in accelerated heat dispersion and moisture evaporation. The horse feels less heat and cools off faster, increasing overall performance. Pads feature a fleece lining that is easy to clean and dries quickly.
